## Luxury villa in Radazul

A luxury villa is for sale in Radazul, currently under construction with delivery scheduled for June next year. The structure is almost finished and this exclusive home is distinguished by its architectural design, which harmoniously fuses modernity with Canarian tradition, using high-quality materials such as exposed concrete, Iroko wood and local basalt stone.

Oriented to make the most of the panoramic views of the ocean and mountains, the villa has large windows, glass railings and high-end finishes, including Porcelanosa wall tiles and Cortizo aluminum carpentry. In addition, it is equipped with a ducted air conditioning system and contemporary design toilets.

Key features:

<sup>1</sup> (Call to national fixed network) | <sup>2</sup> (Call to national mobile network)

Exposed concrete structure and solid slab slab.

Basalt stone walls that integrate perfectly with the environment.

Large windows and glass railings to enjoy unobstructed views.

Cortizo aluminum exterior carpentry with excellent thermal insulation.

Ducted air conditioning system with hidden splits.

Wall and floor tiles by Porcelanosa.

Porcelanosa brand sanitary ware, Arquitect model.

White lacquered wood sliding doors and Iroko wood exterior carpentry.

This villa offers a unique combination of luxury and comfort, with a deep connection to Tenerife's natural surroundings. It is ideal for those looking for an exclusive residence in a quiet and privileged environment.
