a games room, gym, office or utility room, plus a toilet and a laundry room.

Ground floor: A spacious American-style living/dining room with fireplace and air conditioning, next to a fully equipped kitchen with dishwasher, microwave, fridge and induction hob, all energy efficient.

Outside: A private garden of 70 m² with artificial grass, natural plants and a spa with capacity for 6 people.

Upstairs: The master bedroom has an en-suite bathroom, whirlpool and built-in wardrobe. In addition, there are two other loft-type bedrooms with raised mezzanines and built-in wardrobes, which allow you to create two different environments in each. A spacious bathroom with marble and slate finishes is located in the hallway.

No community fees, annual IBI of €250, minimum electricity costs thanks to the photovoltaic installation, and an average of €10 per month in water. The house also has a fibre optic connection.

For investors, this property is a unique opportunity, as it has a holiday license and offers a demonstrable return of 11% per year.
